Memo

9.7.28-91

1 In July 92 the Comptroller pointed out that no mention was made in Note 1, Rule 2, Chapter I Vol. I of the Account Code as to whether Chests belonging to parties in Civil suits could be received into the Treasy for safe custody & without Govt: sanction.

2 While this reference was pending, Pro: No: 6193-202 R.7.185-92 dated 31st October 92 were issued with reference to and the previous Correspondence ending with the Comptroller's letter of 14th June 1892. These Pro: require that when packets or Cash or Chests of Officers of the Govt: Public works or other Depts are lodged in the Treasury for safe custody the same should be under proper lock & key seal or otherwise properly secured ... ~~[illegible]~~

Memo was submitted to the Offg. Dewan for Orders in Decr. 92, when he observed that sanction might be accorded to the continuance of the existing practice of the Civil Courts keeping their Court Chests in the Treasury for safe custody, and alluded to a rule of practice of the Chief Court.

SIR,

With reference to Government Proceedings No. 3558-164 dated 27th May 1892 enquiring whether any accounts are received by this Office monthly of properties kept in Treasuries for safe custody, I have the honor to state that under rule 20 of chapter I of the Civil Account Code the Treasury Officers are required to report to the Account Office when the cash chests of other departments are lodged in the Treasury under the orders of Government. But in this Province cash chests of other Departments are only received for safe custody by the District or Taluq treasury, on the instruction of this Office, and accordingly arrangements have been made ~~by this Office~~ under the sanction of Government for the lodgment, for safe custody in the treasuries, of the cash chests of the Public Works and Munsiffs courts — vide copies of circulars herewith submitted. All Government of India Securities and Mysore Railway Loan Debenture Bonds belonging to the Mysore Surplus Investment and other accounts and those tendered as Securities of Contractors and Government

servants and held in trust are lodged for safe custody and drawing of interest with the Bank of Madras and the Huzur Treasury. A Register of Securities so lodged is maintained in the Comptroller's Office. No Securities are allowed to be kept in District and Taluq Treasuries. No accounts of such have been received in this Office nor was it thought necessary as the Code did not prescribe it. The Treasury Officers have however been directed to furnish the return in question monthly in obedience to Government Proceedings under reference.

With reference to para 2 of the Proceedings referred to above I beg to state that all transactions to which any Government Officer is a party are required without any reservation to be brought to account in accordance with the first rule in the Account Code which rule has been strictly enforced.

No. 6193-202 R. F. 185-92, DATED BANGALORE, 31ST OCTOBER 1892.

ORDER THEREON.—When packets of cash or other chests of officers of the Judicial, Public Works or other Departments are lodged for safe custody in a District or Taluk Treasury, the same should be under proper lock and seal or otherwise properly secured, so that the responsibility of the Treasury officer may be limited to the box or packet and not extended to its contents. If any money or property belonging to a temple is required to be kept in the District or Taluk Treasuries, the money should be brought to account under deposits, and a list of jewels with their weights, &c., prepared and given by the Depositor, which should be carefully checked by the Treasury officer and certified accordingly and a copy of it given to the Depositor. When any jewels are withdrawn, the necessary entry must be made in the list. Sir,

With reference to the Proceedings of Government No. 6193-202. R. F. 1892 dated 31st October 1892, I have the honor to request that Judges of Civil Courts in the Province may be permitted to keep jewels and other property in Government Treasuries on the same terms on which property belonging to temples is permitted to be kept. Judges, as custodians of the property of minors, lunatics and so forth, may prefer to keep jewels or other property in Government Treasuries, to handing them over to the guardians appointed by them under

under the Rules. When valuable property is under attachment and owing to claims being preferred or other cause, there is delay in bringing it to sale, it may be advisable to keep it in Government Treasuries rather than leave it in the custody of a Nazir.

From,

The Mysorai Superintendent,

To,

4728-91-W

The Chief Secretary to the
Dewan of Mysore.

Sir,

I have the honor to reply to your Docket No. 10130 / R.F. 185-92 dated 2nd January 1893, calling for my opinion on the reference made by the Comptroller, requesting the Government to prescribe a limit to be placed upon the value of the jewels to be deposited in the Treasuries.

S.No. 9

2 I have obtained the opinions of the Deputy Commissioners of all the Districts and have also given my anxious consideration to the subject.

3. In all the large Temples such as those at Nanjangud, Melkote and Chamaraj.anagar where proper watchmen have been employed to guard the Temple property, jewels are lodged

a separate room in the Temple itself under a lock and key of the responsible servants of the Temple. In the other Temples which have no resources to maintain a proper guard, such of the jewels as are required for the daily decoration of the idol are left in the custody of the Archaks and the rest lodged in the Taluk Treasury and withdrawn by the Archaks whenever required. This has been the practice for many years past both prior and subsequent to the rendition and the system has worked well and to which the Temple servants and the public have been fully accustomed If this system is now to be discontinued and the jewels of higher value deposited in the District Treasuries I fear the change will entail great inconvenience on account of the difficulty and risk incurred in the carriage of jewels to and fro under proper escort Even under the present arrangement by which the jewels that

are

are required only occasionally during festivals are lodged in the Taluk Treasury, Complaints are sometimes received as regards Temples situated in villages far away from Taluk Head Quarters, that the jewels are not received from the Taluk Cutcherry in time to be used for decoration purposes. A complaint of the kind presented by the devotees of the Rama-Devaru Temple in Chinchanakatte, Yedatore Taluk is pending before me If under such circumstances the jewels are removed further away to the District Treasury, Temples will be under great disadvantage

4. Should the Government however, deem it necessary to order deposit of a portion of the jewellery in the District Treasury, I would then divide the jewels into two classes:-

First.— Those, that are required for the use of the idols frequently or on more than one occasion in the year

Second.—Those, that are required for decorating the idol only once a

the former class of jewels I would say, should be kept up in the Taluk whatever their value Those of the latter class exceeding Rs 5000/- in value collectively for each temple, may be kept in the District Treasury.

5: Jewels that have gone out of use and are not required for decorating the idol may also be forwarded to the District Treasury to be kept in deposit till disposed of by Sale or otherwise by the Mirasi Department.

I have the honor to be
Sir
Your most Obedient Servant

Proceedings of the Government of His Highness the Maharaja of Mysore, (Revenue),—dated 31st October 1892.

READ :—

Letter No. 1615, dated 14th June 1892, from the Comptroller, stating, with reference to Government Proceedings No. 3558—164, dated 27th May 1892, that no accounts are received in his office monthly of properties kept in Treasuries for safe custody and that the Treasury officers have been directed to furnish the information required.

No. 6193-202—R. F. 185-92, DATED BANGALORE, 31ST OCTOBER 1892.

ORDER THEREON.—When packets or cash or other chests of officers of the Judicial, Public Works or other Departments are lodged for safe custody in a District or Taluk Treasury, the same should be under proper lock and seal, or otherwise properly secured, so that the responsibility of the Treasury officer may be limited to the box or packet and not extended to its contents. Such chests should not be allowed to remain in charge of Treasury officers for a longer period than 3 months at a time. When they are kept for longer periods, the officers concerned should be requested to withdraw them and if they fail to do so, the same should be reported to Government.

2. It must be remembered that the permission granted for the safe custody of cash boxes, &c., relates only to those belonging to Government Departments and not to money or properties of temples. If any money or property belonging to a temple is required to be kept in the District or Taluk Treasuries, the money should be brought to account under deposits, and a list of jewels with their weights, &c., prepared and given by the Depositor, which should be carefully checked by the Treasury officer and certified accordingly and a copy of it given to the Depositor. When any jewels are withdrawn, the necessary entry must be made in the list. The jewels must always be secured in the *District Treasury*, unless they are of small value in which case they may be kept in the Taluk Treasury. A list of the chests, packets, jewels, &c., remaining in each Treasury should be submitted to the Comptroller monthly.
